LAST WILL AND TESTAMENT

OF

RANDALL WILLIAM AYRES

I, Randall William Ayres, a resident of San Diego County, California, declare this to be my Will, hereby revoking all prior Wills and Codicils.

FIRST: I declare that I am not and have never been married. I declare that no children have been born to or legally adopted by me.

SECOND: I nominate Christine Ashley as Executor of my Last Will and Testament to serve without bond or surety of any kind. If Christine Ashley fails to qualify, is unable, is unwilling, or ceases to act as Executor, then I nominate James France as Executor to serve without bond. The term "Executor" as used in this Will shall include any personal representative(s) of my estate. I authorize my Executor to sell at either public or private sale and to lease, with or without notice, any property belonging to my estate, subject only to confirmation of court required by law.

THIRD: If at my death anyone who takes from me by my Will or by succession is under the age of eighteen (18) years, I appoint my Executor as guardian of any of the property that such minor takes from me. My Executor may, in my Executor's discretion, sell for the minor's account any part of the minor's share. Any property or its proceeds distributable to a person under the age of eighteen (18) years may be delivered without bond to any suitable person with whom the minor resides or who has care or control of the minor.

FOURTH: I direct my Executor to pay all of the expenses of my last illness, of the administration of my estate, and of the disposition of my remains. It is my wish that after my death, my remains be cremated, and my ashes delivered to my executor. I direct my Executor to arrange for the appropriate memorial services.

FIFTH: I give all property over which I have power of testamentary disposition as follows:

I give my entire estate, whether real, personal, or mixed, of every kind, nature, and description whatsoever, and wherever situated, which I may now own or hereafter acquire (except as noted below), or have the right to dispose of at the time of my death, by the power of appointment or otherwise, to my sister Christine Ashley. If my sister Christine Ashley predeceases me, then this gift shall pass instead to James France.

If my estate includes funds from the trust received at my mother's death, I wish for my estate to be divided equally between my sister Christine Ashley and my brother-in-law James France.

SIXTH: For the purposes of this Will, a beneficiary shall not be deemed to survive me if the beneficiary dies within thirty (30) days after the date of my death.

SEVENTH: If any person, whether or not related in any way by blood to me, shall either directly or indirectly attempt to oppose or set aside the probate of this Will, or to impair or invalidate any of its provisions in any legal proceeding that is designed to thwart my wishes as expressed in this Will, or to aid in the contesting of this Will, and such person shall establish a right to any part of my estate, any interest to that person is revoked and shall be disposed of in the same manner provided herein as if that contesting beneficiary had predeceased me without issue.

EIGHTH: I have not entered into either a contract to make wills or a contract not to revoke wills.

NINTH: As used in this Will, the masculine, feminine, or neuter gender, and the singular or plural number, shall each be deemed to include the others whenever the context so indicates.

TENTH: If any part, clause, provision, or condition of this Will is held to be void, invalid, or inoperative, I direct that such invalidity shall not affect any other part, clause, provision, or condition of this Will, and that the remainder of this Will shall be carried into effect as though such part, clause, provision, or condition had not been contained herein.

Now, therefore, in the presence of witnesses, I sign my name to this, my Last Will and Testament, consisting of 9 typewritten pages, including the Witness Attestation page, on this 9 day of March 2003 at San Diego, California.
